RE: MUR 4819- Request for Extension of Time to Respond

Dear Mr. Turley:

We are in receipt of the documentation related to MUR 4819 and respectfully request an extension of time in which to respond.

We are only one day away from the election and for the past three weeks we have been highly focused on our re-election contest. While the response is due shortly after the election, the schedule does not provide enough time for us to prepare an adequate and thorough response. We believe the issues presented in the MUR can be properly addressed at such time as we are able. Currently, all of our efforts and resources are focused on winning reelection. Our activity will continue at this pace through the week following the election. Thereafter, we will be able to turn our full attention to this matter. Thus, I formally request a 30-day extension of time until December 6, 1998, to respond to MUR 4819.

I appreciate your consideration of this matter and ask that you grant our request for an extension of time.

Sincerely,

David Israelite
Campaign Manager
